**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep competition alive, I am with Sonic.net and I really appreciate being with a smaller company. Their prices are better, and their service is very good. I have been with huge companies before and they are expensive. Trying to get help is difficult, even trying to navigate their maze-like phone trees is difficult. Im not naming them but I have had service with a few of these mega companies and it is always a miserable experience. I prefer to have service with a smaller local company. They give back more to the local community as well, providing jobs and doing special events.

Thank you,

Claudia Bigelow
